REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT
COUNCIL

St. Andrews Middle School, a 2013-2014 Palmetto Silver Award recipient, in collaboration with an engaged community, is committed to ensuring each learner achieves his/her potential in a safe, caring, academically challenging and diverse learning environment that will develop productive citizens for a changing world. At St. Andrews Middle School, we believe all faculty and staff, parents, and community members share the responsibility for advancing our mission of transforming lives through education and empowering all students to achieve their potential and dreams. We continue to follow our School Improvement Plan, District Strategic Plan, and our Making Middle Grades Work Program Goals in an effort to increase student achievement.

Academic and extra-curricular accomplishments of our students included thirty-nine Duke Tip qualifiers, nine Middle School Scholars, and four S.C. Junior Scholars. Fine Arts awards included: ten District Honor Orchestra, three District Honor Dance, twelve District Honor Chorus recipients, and one state ACDA Honor Choir award winner. Athletic programs include volleyball, football, basketball, wrestling, track, tennis, baseball, softball, cheerleading, and an award winning step-team.

St. Andrews parents, business partners and community members provide continuous support for our students and academic programs. The University of South Carolina partnership sponsors guidance interns, student teachers and the USC Talent Search program. Colonial Life Supplemental Insurance Company provides numerous student-centered activities, including Ravenous Readers, Story Tellers, Lunch Buddies, Junior Achievement, Student Book Club, guest speakers, cultural events, classroom volunteers and also provide parent workshops and programs. Faith-based partners provide mentors, after-school activities, and summer programs for students in our community. Numerous community members participate in our annual community fair, which is held each spring.

The 2013 PASS scores, MAP data, and Common Assessment results serve as baseline data from which needs are identified and strategies developed to address academic needs. Total school PASS data showed 54.5% mastery in Math, 61.3% mastery in English/Language Arts, 63.2% mastery in Social Studies, 63.8% mastery in Science, 65.9% mastery in Writing, and a 94% passing rate on the 2013 EOC Algebra I exam. Our academic goals for the year are to increase the percentage of students scoring Met or Exemplary on PASS by 10% in all areas and to increase the percentage of students scoring above the minimum grade level RIT on MAP tests by 10% from the Fall 2013 to Spring 2014. We will continue to implement programs and strategies which will increase student achievement in all academic areas. A schoolwide focus on standards-based instruction and assessment, All-Day Writes, remediation and enrichment programs, and data analysis will be utilized to facilitate student learning and foster academic success for all students. We appreciate the continued support provided by our parents, business and faith-based partners, and all of the St. Andrews community as we strive to educate the leaders of tomorrow.
